## **Section C**

Answer **one** question from this section.

## **QUESTION 5**

| 5 |       | tudy Fig. 8 (Insert), a map produced by the Tourist Information Office of Geiranger in Norway in MEDC in Europe), along with Photograph E (Insert).                 |
|---|-------|---|
|   | (i)   | Identify from Fig. 8, two different types of accommodation for tourists.  |
|   |       | 1   |
|   | (ii)  | Suggest <b>two</b> different jobs created by the tourist industry in Geiranger.   |
|   |       | 1   |
|   |       |   |
|   |       | 2   |
|   |       | [2]   |
|   | (iii) | Describe the attractions of the natural environment in the area around Geiranger shown in Photograph E.   |
|   |       |   |
|   |       |   |
|   |       |   |
|   |       |   |
|   |       |   |
|   |       | [3]   |
|   | (iv)  | Geiranger is visited by cruise ships, some of which carry more than 2000 passengers. Suggest how this may cause problems for people who live and work in Geiranger. |
|   |       |   |
|   |       |   |
|   |       |   |
|   |       |   |
|   |       |   |
|   |       |   |
|   |       |   |
|   |       | [4]   |

**(b)** Study Fig. 9, which shows information about the number of international tourists visiting Norway between 1995 and 2012.

Fig. 9

| 1995 and 2012. Include statistics in your answer. |
